EXCITING VACANCY AT OUR CLINICS IN CHESTER AND NORTH WALES

We have just secured 2 contracts with the local authority/NHS and need your help to take up the extra load.

We have a cutting edge holistic ethos which means applying the biopsychosocial model using evidence based mindfulness and mind/body hypnotherapy techniques along with standard chiropractic protocols and app based exercise routines. At the same time we use outcomes assessment questionnaires and supply regular reports to our customers.

Ideally you should be able to show some commitment to our holistic ideals, but it is more important that you have your own area of passion/interest and desire to carve out your own niche. Mentoring and training is available if you require it.

We are offering 16 hours per week, part time, initially, and expect to expand rapidly when the contracts kick in, in April. Most of the work will be at our St Asaph branch but there will also be work in Chester.

St Asaph is situated midway along the North Wales coast on the A55 expressway which allows easy access to the rugged mountains of Snowdonia and sandy beaches of Anglesey to the west, and Chester, Liverpool and Manchester to the east.

Payment is on a sliding scale. We offer a retainer to get you started.

FULL OR PART TIME ASSOCIATE WANTED AT STAFFORD CHIROPRACTIC CLINIC

We are excited to say we are looking for a new full time or part time Chiropractor to join our multi-disciplinary practice.

Our clinic has been established for 25 years and we now have a busy and vibrant practice with an excellent community reputation. We currently have a team which includes 5 Chiropractors and 3 Sports massage therapists. We are a lively and fun-loving clinic where everyone works together and supports each other as a team.

We are committed to helping all our associates reach their potential and are always on hand to offer any support required. We try to keep up to date with the latest techniques and equipment and encourage further learning where possible.

We pride ourselves on providing individual and patient-centered care. We have not only built up great relationships with our patients and their families, but we also work well with other local health practitioners.

This position would be suitable for an experienced Chiropractor or recent graduate and hours are negotiable. You will have the opportunity to help with maternity cover whilst you build your patient base up. All our Chiropractors work on a self-employed basis.

The Clinic is situated in a small commuter village outside the town of Stafford. Stafford is close to the rural countryside of Cannock Chase for walking, hiking, climbing, horse riding or cycling. Only a stone's throw from the Belfry golf club and plenty of local rugby and football clubs and cycling groups. The clinic is located about 30 miles from Birmingham city center and the excellent rail links means you can get to London in just over an hour.

We are looking for a confident and ambitious chiropractor to work part-time with the ability to increase to full time.

You will be on a self-employed basis. We have a holistic approach to patient care, which focuses on paediatric and family chiropractic. Knowledge of SOT techniques and diversified would be useful.

Please send your CV to Sue Crosland, Practice Manager at ashtead.chiro@btconnect.com

CHIROPRACTIC ASSOCIATE OPPORTUNITY IN THE HEART OF EAST ANGLIA

→ The Bury St Edmunds Chiropractic Clinic, the oldest established clinic in this busy expanding market town in the centre of East Anglia, is looking for a new associate.

→ There is full PRTS support and mentoring from Fiona Jacobs, D.C., C.C.S.P., MSc (Sports Med) MSc (MSK US), the clinic lead and a chiropractor of over 30 years experience, with a specialist interest in Sports Chiropractic. Emilie Bevan MChiro., BSc (Anatomy), our other associate, has an interest in pregnancy and children.

CONTINUED...

→ The position is for a self-employed chiropractor with a retainer paid over the first year and initial GCC registration paid. Support is given for all activities and promotion and may suit a chiropractor interested in Sport due to the links already made locally.

→ You would have your own room with use of changing rooms. Appointment consultations are scheduled at 45mins, with follow up appointments at 15 mins, however consideration of each practitioner and patient requirements are made by the highly efficient, well trained and friendly reception staff.

→ The Clinic is situated in a specially converted Victorian building in the heart of historic Bury St Edmunds, with car parking, and within 250m of the ruins of the medieval Abbey, the Angel Hill (mentioned by Charles Dickens) the Abbeygate and St James Cathedral. The town is rapidly expanding with a modern shopping complex (the Arc), many restaurants and bars, and yet it retains its historic character and has one of the few restored Georgian theatres in the country. (The Theatre Royal)

→ Bury St Edmunds is within 90 mins of London, 45min to the glorious East Anglian coast, and has great road links to the Midlands and north via the A14, A1 and M11.

→ Come and talk with us, visit us and see what a great opportunity this could be for you.

9 YEAR OLD PRACTICE FOR FREE!

Based in Cupar, Fife, Scotland this country town has a population of around 10 000 plus a feeder village population of a further 10 000 people. We are offering a fully kitted out clinic with chiropractic bench and massage bench. The clinic has been in the same 'high street' location for 9 years and has shown a very healthy profit with a six figure turnover.

It has been closed for only a short time due to the resident chiropractor leaving and opening up his own clinic in the same town. We are willing to rent out the clinic which comprises of reception, 3 treatment rooms and a fully approved x ray room (the x ray equipment requires to be upgraded).

It's possible to move in and 'open up the next day.' No rental deposit is required and the first months rent will be free. This could suit a newly qualified chiropractor who wants to grow their own business but do not have the funds to start up.

Though a fine opportunity it should be understood that many of the existing patients may migrate or will already have migrated to the recently opened clinic in the town.

You would be expected to take over the existing property lease at a rent of £12 850 pa.
