

## **JOBS**

### **ASSOCIATE REQUIRED IN BUSY BOURNEMOUTH CLINIC**

The Back Pain Centre in Bournemouth is looking for a confident, hard-working, enthusiastic chiropractor to join their expanding team. The practice style is very biomechanical with a common-sense philosophy of engineering meets medicine. A great emphasis is on spinal & extremity adjusting with rehab/strength and conditioning exercises. The clinic has Shockwave, Laser, Rapid release machines and ultrasound. The patient base is a mix of all community members but a keen interest is taken in treating athletes. The position will start as part time Wednesday and Saturday, with the option to build up to full time with flexible working days/hours. The successful applicant must be friendly, approachable and able to work as part of a team. Experienced chiropractors of 3 years+ preferably and must be confident and competent diversified adjusters. The clinic has a high number of new patients and a very good reputation locally. If you feel you would like the opportunity to prove your self-motivation and push yourself to succeed, send your application and CV to [info@bournemouthbackpaincentre.co.uk](mailto:info@bournemouthbackpaincentre.co.uk) <http://thebackpaincentre.com/>

### **AMAZING OPPORTUNITY - ASSOCIATE REQUIRED**

Here is a wonderful opportunity, within our home counties clinic, to take over a very well established patient base, from a departing associate who only works 3 to 3.5 days a week.

The departing associate has Tuesdays and Fridays off (on top of the weekend breaks too) & still earned £40K last year whilst also having 6 weeks off for holidays during the year too.

The option to work more hours (but still have a week day off on top of weekend breaks) & earn the average £60K pa, like our other associates, is also viable, if you are interested.

We are a very busy clinic with a sound, ethical, evidence-based approach to patient care, boasting an excellent reputation in the local community. You'll join an established team of 5 energetic chiros on a phenomenal earnings package (**which graduates up to 80%**) that you will find very difficult to beat anywhere else.

You will be working in a well-located clinic that benefits from X-ray facilities on site, has an excellent rapport with the local NHS, is the official chiropractor for the local football team, sponsors the local Cricket club & offers a busy, rewarding and energising work environment. You will not be expected to burn yourself out to earn a good living as we spend one hour with a new patient and spend 20 minutes per treatment appointment, thus giving a relaxed environment for not only the practitioner but also for the fee-paying client.

With us you can relax & develop as an ethical Chiropractor in the direction that you chose. We have a diverse team of chiropractors who embrace a very wide variety of techniques but NOT high-volume sales- pitch 'philosophies'.

We hold regular meetings for case studies, technique reviews & general peer group support for one another too.

New graduates are welcome to apply as the clinic director will assist as PRT mentor.

You will also be able to meet the departing associate and shadow them so as to meet the patient base and have a smooth progression into taking over from them. Meanwhile you will be supplied with new patients too so as to continue to build the patient base.

We have a very large number of new patients presenting to us every month. This is not only due to our extensive & highly successful marketing department, but also due to a very high number of referrals from patients & the NHS. This is all as a direct result of our superb reputation and our patient centred quality of care.

Milton Keynes is a dynamic city that offers access to London by train in only 35 minutes, countryside access in 10 minutes & an abundance of superb facilities right on your doorstep (Gyms, Pubs, Clubs, Restaurants & sports facilities galore) that offers excellent 'out of work hours' entertainment & quality of life benefits too.

**Short term free accommodation can be provided to assist your relocation if required too.**

To have a chat or if you would like any further information then simply call 01908 372737 today. Likewise; applications & CV can be forwarded to Gary D Jackson at Milton Keynes Chiropractic Clinic, 63 Aylesbury Street, Bletchley, Milton Keynes, MK2 2BJ or via [drgaryd.jackson@yahoo.com](mailto:drgaryd.jackson@yahoo.com)

**Earnings between £40,000 & £70,000 are achievable without having to burn yourself out! Why? Because we offer you a brilliant deal, in a busy, ethical environment in the first place.**

**We have the right work/life balance; do you?**

### **ASSOCIATE POSITION AVAILABLE IN BEAUTIFUL SHROPSHIRE**

We are looking for a new graduate or existing associate chiropractor to join our busy, expanding clinic in Shropshire, in July 2019. Our clinic was established in 2003 and has an outstanding reputation for patient care.

We offer excellent working conditions, a great, friendly team atmosphere and full mentoring support including PRTS Training for new graduates.

The position is available as a full time or part time position. Our priority is to find the right candidate, whom we hope will look at this as a long term position with the option in the future of investing in the clinic.

Please email Jane Seymour at [chiropractors@icloud.com](mailto:chiropractors@icloud.com) for further information.

### **EXCITING JOB OPPORTUNITY**

We have fantastic associate positions available at our two thriving clinics in East Sussex – Uckfield Chiropractic Clinic and Hailsham Chiropractic Clinic, both of which are the longest established clinic in each town and each has a loyal and growing client base.

Both clinics are multi-disciplinary, primarily focused on patient centred chiropractic care. The clinics both also house podiatrists, sports and hot stone massage therapists and reflexology practitioners.

We are looking for friendly & enthusiastic chiropractors, who are willing to learn and be guided by the experienced associates on our team. The successful applicants will take on part of the existing patient bases at each clinic and will benefit from a strong referral stream, clinic sponsored advertising and great support from the welcoming clinic teams.

The roles are suitable for either new graduates or experienced chiropractors; and payment is offered on a percentage basis, dependent on experience.

If you are interested in the position please contact Katie Beckett at [uckfieldchiorporactic@gmail.com](mailto:uckfieldchiorporactic@gmail.com) or call the Uckfield clinic 01825 744100. [www.sussexchiro.co.uk](http://www.sussexchiro.co.uk)

## **EXCITING VACANCY AT OUR CLINICS IN CHESTER AND NORTH WALES**

We have just secured 2 contracts with the local authority/NHS and need your help to take up the extra load. We have a cutting-edge holistic ethos which means applying the biopsychosocial model using evidence based mindfulness and mind/body hypnotherapy techniques along with standard chiropractic protocols and app based exercise routines. At the same time we use outcomes assessment questionnaires and supply regular reports to our customers.

Ideally you should be able to show some commitment to our holistic ideals, but it is more important that you have your own area of passion/interest and desire to carve out your own niche. Mentoring and training is available if you require it. We are offering 16 hours per week, part time, initially, and expect to expand rapidly when the contracts kick in, in April. Most of the work will be at our St Asaph branch but there will also be work in Chester.

St Asaph is situated midway along the North Wales coast on the A55 expressway which allows easy access to the rugged mountains of Snowdonia and sandy beaches of Anglesey to the west, and Chester, Liverpool and Manchester to the east.

Payment is on a sliding scale. We offer a retainer to get you started.

Please send your CV to [admin@back-doctor.co.uk](mailto:admin@back-doctor.co.uk) <http://www.back-doctor.co.uk> 07914311986

### **9 YEAR OLD PRACTICE FOR FREE!**

Based in Cupar, Fife, Scotland this country town has a population of around 10 000 plus a feeder village population of a further 10 000 people. We are offering a fully kitted out clinic with chiropractic bench and massage bench. The clinic has been in the same 'high street' location for 9 years and has shown a very healthy profit with a six figure turnover.

It has been closed for only a short time due to the resident chiropractor leaving and opening up his own clinic in the same town. We are willing to rent out the clinic which comprises of reception, 3 treatment rooms and a fully approved x ray room (the x ray equipment requires to be upgraded).

It's possible to move in and 'open up the next day.' No rental deposit is required and the first months rent will be free. This could suit a newly qualified chiropractor who wants to grow their own business but do not have the funds to start up.

Though a fine opportunity it should be understood that many of the existing patients may migrate or will already have migrated to the recently opened clinic in the town.

You would be expected to take over the existing property lease at a rent of £12 850 pa.
