

CLASSIFIED ADVERTISING W/E 30TH SEPTEMBER 2016

ASSOCIATE REQUIRED

Highly motivated, enthusiastic chiropractor required to work within our modern, friendly, caring practices in north Devon. A knowledge of diversified, activator, sot and drop technique is desirable. Good career prospects. Please apply with CV to Mrs Julie Huxtable, Barnstaple Chiropractic Clinic, Bickington Road, Barnstaple, EX31 2DB. Telephone 01271 376776, e-mail julie@chiropractor-uk.co.uk

ASSOCIATE WANTED

Self-motivated, experienced associate required for multidisciplinary practice(s) in Southwest England, full-time or part time (20 - 40 hours pw). The successful applicant will be required to take over and develop an well-established patient base in a traditional Market Town. A background in Diversified and SOT techniques would be useful as would an interest in paediatrics and maternal care. Please send CV and introductory letter to the practice manager: rae@yeovilchiropractic.co.uk

FULL TIME ASSOCIATE CHIROPRACTOR REQUIRED

We are looking for the right person to join our friendly and dynamic team in the historical city of Lincoln. If you're reliable, professional and enthusiastic and would like to work in a relaxed and welcoming environment, we'd love to hear from you. Our practice is family orientated, musculoskeletal based and has a solid reputation in our community. We would welcome an experienced chiropractor or a new graduate who we could offer support to. The position is on a self-employed basis with a competitive percentage offered. Please email your CV to amy@hykehamchiropractic.co.uk or call 07752733726 for an informal chat.

ENTHUSIASTIC AND MOTIVATED CHIROPRACTOR REQUIRED HAVERHILL, SUFFOLK & COLCHESTER, ESSEX

Full time associate required to take up existing position from December 2016. The position would suit a confident, motivated Chiropractor to join our team of 7 working within 2 long standing practices located in East Anglia. 40 minutes from Stansted Airport. Rail links to London 1 hour. Practices have 7/8 treatment rooms and x-ray facilities. Regular training in all areas from a registered trainer with over 30 years' experience if required, depending on ability. Emphasis is on accurate diagnosis, including use of x-rays where clinically necessary. Regular group meetings to discuss difficult cases. The successful candidate will use predominantly manual diversified techniques. The practices have a range of facilities including x-ray, pDexa scanner, ultrasound, etc. and support staff to assist with 15 minute appointments (1 hour for new patients). Excellent salary prospects. www.chiropracticcentres.org Email CV to haverhill@chiropracticcentres.org Tel: 01440 705020
