##### **MOTIVATED, HAPPY AND LOVING CHIROPRACTIC?**

Exciting Chiropractic Opportunity!

The Health on Hand Chiropractic Clinics are looking for a hard-working and enthusiastic chiropractor, willing to help out with promotional tasks and events.

One of our chiropractors has moved and we have a vacancy of 6-7 shifts a week, with an existing busy patient base that needs looking after and a possibility of adding more shifts.

The position offered is split between clinics in Mansfield and Leicester, in the East Midlands. The locations are close to the M1 giving easy access to East Midlands Airport, London, Birmingham, are sandwiching Nottingham and bordering the Peak District.

The leaving chiropractor had a strong interest in sports chiropractic and the general public, similar interests would be advantageous.

The clinics are progressive in the treatment techniques used and are always encouraging the chiropractors to learn more. We hold regular chiropractic meetings discussing patients, the running of the clinic and treatment techniques.

The principal Thomas Jeppesen graduated from the AECC in 1997 and has great experience in Sports Chiropractic having worked at most major world sports events and been the chiropractor to the Leicester Riders Basketball team for the past 16 years. He is also a registered PRTS trainer.

If you can see yourself working in a modern, light and friendly environment with excellent front desk support and regular chiropractic meetings, please send your CV and a Covering letter to practice manager Soraya Mangrolia on
