BOOM! YOUR OPPORTUNITY HAS ARRIVED. ASSOCIATE WANTED IN CAERPHILLY (S. WALES).

Want to live and practice in wonderful South Wales, near the sea, mountains and outdoors? Cardiff will be on your doorstep and a busy, positive practice for you to thrive in awaits.

We are looking for the right person to join our busy, Caerphilly based, positive, motivated, upbeat and highly experienced wellness focussed practice. You will be open to taking an adjustment focussed (diversified), brain-body / conditions model of chiropractic to our wonderful patients.

We predominantly see professional desk workers, OAPs and families, as well as a number of triathletes who love to train for the ever popular Ironman Wales and active people who love the many other local events.

You will reflect our core values of "success through endeavour" (a hard work –productivity ethic), have naturally high integrity and honesty & be highly positive in your actions and in your outlook (we call this being "On-Vibe" here at Precision Chiro). You will love people, be open and motivated to learn & want to get involved and build your practice. You will be a people person and either be a skilled adjuster or be committed to becoming one.

We practice a chiropractic functional neurology model (will be taught to you, don't worry) which our new patients love. You will be using muscle testing and proprioceptive testing and using diversified technique on Atlas tables (incl 2 FD tables), using primarily manual adjusting techniques and drop techniques, we also focus on rehabilitation (with video support) and provide proactive lifestyle advice to our patients.

The successful applicant will experience our fully structured and mentored training which after a decade in active development will be offered to the right person once a week. This will be further supported through our written "how-to" manual, online training and your own reflective / active learning process which will to help you develop the necessary skills and knowledge quickly in to guarantee your efforts bring you success.

You will have 1 hour a week with the clinic head as your mentor over your first 3-6 months and regular monthly support and focus meetings in which we will support you and help you develop quickly with your own input and energy at the fore as you work on your areas of improvement while receiving support.

You will receive access to an Ulrik Sandstrom's muscle testing workshop (once these are available again) paid for by us. You will have new patients provided, but also be expected to be proactive in developing your practice with us through developing referrals from your growing patient base and be open to delivering talks, presentations and promotional events (as lockdown eases!) in order to positively engage with our local area.

The right applicant will receive a retainer for the first 3 months and then move to a performance based pay scale which will enable earnings of 50k + on ~20 hours per week patient contact time (or more if more hours are attractive!) once you are fully flying.

What do you need to do?

Simply go to our website here <https://precision-chiropractic.co.uk/chiropractor-test-job/>

Fill in the online form (including personality questionnaire) and wait for our email!

ASSOCIATE POSITION IN THE NETHERLANDS, HEERLEN, WITH POSSIBILITY TO BECOME PARTNER.

Associate position in The Netherlands, Heerlen, with possibility to become partner.

- Do you want to work for a well-established and busy clinic, with a very good reputation, good working atmosphere, well organised and have the possibility to work independent and in a team?
- Do you want to work with experienced colleagues and also earn a good living?

You will be working with a very well-trained team of 4 assistances and 2 colleagues. You will be well supported by a team who loves chiropractic and wants to see you succeed. We are supporting each other and use each other's strengths, though independent work forms the base.

We are using a variety of techniques, primarily of the manipulative type, supplemented with different soft techniques. Chiropractie Rugkliniek Heerlen was established 35 years ago. We are running a full spectrum, wellness based family practice with a pleasant, welcoming atmosphere. Everything is running very smoothly. The clinic has a very good reputation. We are very service minded.

One of our colleagues is leaving us, after 7 years, to work full time in his own clinic.

We are therefore offering a full-time position though part time is possible.

We are looking for a caring, self-motivated, enthusiastic and friendly colleague, willing to work independent and in a team. Coaching from a 35 years experienced chiropractor possible, if wanted.

Although most people speak English, it's necessary that you learn Dutch, not only to meet the government requirements, but also to best connect with the people we are here to serve.

You will get a good base salary plus a bonus, based on the number of patients you see.
