EXPERIENCED LOCUM AVAILABLE

Hi, I am Gareth Jones and I will be returning to the UK to practise again after 16 years running my own clinic in New Zealand. Originally from Australia I have spent the last 27 years as a Chiropractor in three countries.

My wife will be doing a Masters in London so I looking to find work as a locum anywhere in the UK from early August until March 2022 when I will be heading to the U.S. to do a 6 month hike of the Appalachian trail.

I have been practising using Diversified, Gonstead and Flexion Distraction with associated soft tissue and sports therapies, although I am flexible and aim to continue the treatment protocols you use in your practice as much as possible.

I have been a locum and a user of Locums over the years, so I am familiar with the needs of Chiropractors.

I have a UK passport, and will be reinstating my GCC registration on my return to the UK, as well as re-registering with the relevant insurance providers.

Please contact me at garethalt@yahoo.com

OPPORTUNITY FOR 2 CHIROPRACTORS ENJOYING WHAT THEY DO AND WANTING TO BE BUSY!

The Health on Hand Chiropractic Clinics are looking for 2 hard-working and enthusiastic chiropractors wanting to join our passionate team.

We have been overwhelmed with the demand for our services and need urgent help in our clinics Mansfield and Leicester, in the East Midlands.

The clinics are progressive in the treatment techniques used and are always encouraging the chiropractors to learn more. We hold regular chiropractic meetings discussing patients, the running of the clinic and treatment techniques.

The principal Thomas Jeppesen graduated from the AECC in 1997 and has a keen interest in Sports Chiropractic. Being registered as a PRTS trainer will be an asset to new graduates. Another of our senior chiropractors is specialising in the treatment of pregnant women and children.

Also we support new graduates by paying the fees of GCC and BCA the first year.

If you can see yourself working in a modern, light and friendly environment with excellent front desk support and regular chiropractic meetings, please send your CV and a Covering letter to practice manager Soraya Mangrolia on healthonhand@yahoo.com For further information on the clinics visit www.healthonhand.co.uk
