This week – LOCUM AND ASSOCIATE POSITIONS, CLINICS FOR SALE, EQUIPMENT FOR SALE

JOBS –ASSOCIATE OR LOCUM WANTED

BASED IN HERTFORDSHIRE, GREATER LONDON

We are looking to add a new member to our expanding multi-disciplinary team. We are a well-established clinic successfully operating for approximately 30 years. We see between 60-80 new patients a month and are hoping to take on a confident, friendly self-motivated associate, to help manage the ever increasing patient flow.

You will be operating within a 15 minute booking system New patients 30 mins, follow ups 15 mins. You will be working alongside our principal chiropractor. This is a small part of a much bigger integrated healthcare team, consisting of medical pain management consultant sports and massage therapists, optician and dentist.

We appreciate that the way in which a practitioner chooses to practice post-graduation is a choice. Our team all practice in a remarkably similar fashion based upon a biomechanical patient-centred model of care using diversified/HVT techniques as well as soft tissue and rehabilitation exercises to treat our patients.

The clinic is friendly and supportive, with many long-standing regular and loyal patients. Our strong patient numbers and the key to our success is delivering excellent patient centred care. We are well known in the area and receive many referrals from GPs and other consultants/health care professionals.

The successful applicant will receive regular mentoring and CPD also available. The successful candidate should be able to hit the ground running and eager to build and maintain our busy diary.

We are looking for an associate to:

- work a minimum of 25 - hours per week
- be friendly, confident and thorough
- enjoy being part of a team
- be a competent adjuster

If this sounds like you, then this may be the perfect fit for you to develop into the chiropractor you want to be. Feel free to get in contact to ask any specific questions, otherwise please email your CV and cover letter (make it stand out :)) to

A BRIGHTER CAREER FOR CHIROPRACTORS AND OSTEOPATHS –ASSOCIATE VACANCY

Do you want to bring your vision of Chiropractic, spinal health and wellbeing to many people?

Would you like to work 4 days a week to achieve this (great work-life balance)?

Do you want to offer a great service and experience to each person you see?

About Us

Since 2002, when the practice first opened, everyone that has worked at Chirohealth has helped to shape and create a practice that exceeds expectations, delivers outstanding care and makes each patient feel like they're having VIP experience whilst also having fun; it's a practice like no other!

Julia Pullin, the principal Chiropractor is a writer, pet duck owner, brew master and the energetic co-owner of The Chirohealth Clinic; a spinal health and wellness clinic that restores hope, health and Mojo to its community!

Julia's partner in crime is her husband, Spencer. Spencer is the Author of Naturalogy and the practice manager.

Together they had a vision to create a practice that delivered outstanding care and service with an injection of fun!

Julia and Spencer have a wealth of experience to share, having mentored over 20 Chiropractors and Osteopaths and inspiring others to follow a career in Chiropractic too.

Experienced or newly qualified, Chirohealth is a great place for a bright career!

STILL INTERESTED?

Let's start with our Perfect Fit Quiz! (It's just 7 simple questions)

1. Do you love working as part of a group or team?
2. Do you believe that working 4 days a week would give you the work/life balance you want?
3. Are you passionate about optimal spinal health and wellbeing?
4. Do you require tier 2 sponsorship?
5. Do you want a position with a guaranteed salary plus bonuses?
6. Do you want a mentor?

ASSOCIATE CHIROPRACTOR NEAR CAMBRIDGE

Would you like to come and work with me and my team in one of the UK's best towns? (The Sunday Times March 2021).

- Patient centred care

- No scripts

- No patient number targets

- Support to develop into the chiropractor you want to be

Due to overseas relocation Saffron Walden Chiropractic Clinic has a great opportunity for an associate chiropractor to join our busy team from November 2021.

The clinic, which was founded in 2000, enjoys being a key player in the healthcare of Saffron Walden; our team of 5 chiropractors have a big impact on the community's health. Over the 20 years of its existence, we have developed a good reputation in the area and we benefit from many referrals from delighted patients.

The clinic prides itself on its long-standing staff members, with both its chiropractors and front desk staff. Two of the current associates joined the clinic as new graduates and have worked with us for 17 and 13 years.

The patient ethos is one of patient centred care, with no scripts or fixed management plans, and chiropractors are encouraged and supported to develop their own approach as a chiropractic practitioner. Our intention is to 'delight' every patient and our focus is on chiropractic care being a primary healthcare provider and support for all the family. Saffron Walden is a charming medieval market town nestled into the beautiful Essex countryside and has been voted one of the UK's best places to live (The Sunday Times 2021). It holds a wonderful and bustling market twice a week and has many independent shops, cafes and an independent cinema. It is just 15 miles south of Cambridge and with good road and rail links to London and is only 20 minutes from Stansted Airport. Saffron Walden is a very popular place for family living whether you choose the town or one of the many surrounding villages; it offers lots of activities for all ages and the schools are great.

We are looking for a chiropractor who is interested in embracing community life both in our clinic and Saffron Walden. The successful candidate will have a bubbly and confident personality who cares about each and every patient, with strong adjusting technique and management skills to support their caring nature.

Start Date: November 2021

CHIROPRACTIE CENTRAAL - WE'RE HIRING - CHIROPRACTIC ASSOCIATE**ABOUT US**

Chiropractie Centraal was established in 2017 by Joseph Coletta and George Ellis with the aim of going above and beyond when it comes to care and well-being. Our mission at Chiropractie Centraal is to provide efficient, effective, and affordable Chiropractic care to our patients throughout The Netherlands and Europe.

Our team consists of an international blend of dynamic, professional, and enthusiastic Chiropractors who are the best in their trade. Their objective is to locate, analyze and facilitate the correction of vertebral subluxation which ultimately has a rolling effect on the rest of the body.

If you would like to work in a flourishing company with fast growing opportunities, we would love to hear from you. We have a 7-step process to success, a new marketing technique and a clear and authentic script that converts more new patients to revenue. Above all, what we offer is good, honest chiropractic care and a service-oriented approach. We genuinely care about our clients, their health, and their progress through care. We actively measure their results and satisfaction, and make changes based upon their feedback if, when, and where we can. This has resulted in a measured patient satisfaction of 98-100%.

With central locations within the Netherlands, you are never far from the airport and will have plenty of time to discover what Europe has to offer.

WHAT WE ASK

- Must have a recognized degree by the CCEI
- Required to speak English, able to speak Dutch already, or willing to learn Dutch quickly
- Enthusiastic, high energy and a positive demeanor
- Must be open to working with supplemental technology and diversified techniques
- Must be open to take part in educational and / or promotional events (i.e. health talks, fairs, etc.)
- Ability to adjust 100+ clients per week

WHAT WE OFFER

- A professional but light-hearted and fun working environment
- €3780.00 per month and competitive bonus system
- Regular flow of new and existing clients
- Continuous training, development, and mentorship training
- Existing clients who are used to seeing different chiropractors (giving you a client base upon starting date)
- Full support with relocation, visa application and professional bodies registration
- Growth opportunities in a rapidly expanding young and dynamic company

DERBY ASSOCIATE REQUIRED

We require an associate to join our expanding clinics situated in the north and south of the city. We are consistently busy with a plentiful supply of new patients. The lead Chiropractor is reducing his hours from 5.5 days to 4 days a week, so there is an overflow of existing patients who need appointments.

The role will interest those who want to successfully integrate diversified, manual muscle testing, and SOT (amongst other techniques) into a dynamic family practice.

DESCRIPTION:

- Part time / Full time hours split between Duffield and Chellaston Chiropractic Clinics
- Start Autumn 2021 (or January 2022 considered for the right person)
- Training is offered for recent graduates, or if you are learning a new skill set to change the way in which you work.
- Self-employed role - 50% share

Please contact Andrew at Duffield Chiropractic Clinic for more information, we look forward to hearing from you!

FARNHAM CHIROPRACTIC CLINIC ARE LOOKING FOR AN ASSOCIATE CHIROPRACTOR

We are looking for an associate chiropractor to join our long established clinic in the affluent Surrey town of Farnham within 40 minutes of London and the South Coast.

The hours are flexible and the post could be part time but with the opportunity to work full time.

You will work in a happy and friendly clinic alongside three other chiropractors and two sports therapists.

For further information please email David Young or Sarah Margetts-Cooke on info@farnhamclinic.co.uk

CHIROPRACTOR REQUIRED IN CANARY WHARF, LONDON

We are looking for an associate to join our team based in the iconic skyscraper that is One Canada Square, Canary Wharf, London.

You'll be working alongside three other chiropractors - one with nearly 20 years experience, one who works in elite sport and one recent graduate - each with their own style but making a great team.

You can add to this by working in the way that you like, using your own preferred methods and techniques, but you can also count on getting help and support from your colleagues if you want or need it.

As long as you strive to provide a professional, friendly and dedicated service, looking after each patient to the best of your ability, you will fit in nicely.

We are as busy as we have ever been with new patients and you can expect to see plenty as soon as you start. This should enable you to build up your numbers and income quickly and we promise you won't be required to adhere to any practice building or clinical protocols, do any hard sell etc or do anything that you would not choose to do.

Canary Wharf has a buzzing atmosphere and is a great place to be, with lots to see and do, and as chiropractic workplaces go it has pretty unique views from the 37th floor!

This is a part-time position on a self-employed basis and is available now but without a rush to start for the right person.

All potential candidates are encouraged to apply - whether you are a recent graduate or experienced, male or female, into general practice, pregnancy, sports or something else - we'd like to hear from you.

EQUIPMENT FOR SALE

5

METRON CHIROPRACTIC BENCH FOR SALE - EXCELLENT CONDITION - BLUE £2,000

This is a great bench, only been used by me and is in excellent condition.

Selling due to relocation to NZ, collection only from Bristol.

The Metron info:

This is an electric, variable height drop table.

The table features four manual drops: Cervical, Thoracic, Lumbar and Pelvic. Each drop can be tensioned and cocked from both the left and right sides of the table.

The drops have been designed using a linear ball bearing construction, creating a crisp and virtually maintenance free operation.

Each table is also fitted with an adjustable height pelvic and head section as standard, allowing for multiple and simple positioning of all patient types. The head section whilst adjustable in height, can also be tilted for further positioning options and is also adjustable in width. Further positions are achieved with the adjustable height and length ankle rest, allowing for varying patient heights. Each cushion is formed with a double layer of foam. The first layer a very high density foam to assist with the drop technique and the secondary layer is a thin soft foam to provide patient comfort. The result is a 10cm cushion designed for both comfort and support. The table has an extremely stable base giving the practitioner a solid platform to adjust on.

Drop me a line if you'd like more information.
