EXPERIENCED ASSOCIATE/PARTNER/PRACTICE PURCHASE OPPORTUNITY

Well-established practice over 35 years in the most prestigious suburb of Bristol. We have a steady flow of new patients but we have a very loyal patient list, some of whom have been under our care since the first month we opened. This practice is very well-equipped with four treatment rooms, x-ray facilities, diagnostic ultrasound, bone density screening, an Insight Scanner, Footlevelers Digital Scanner, an Aquamassage machine and a fully equipped rehabilitation gym which operates five days a week with experienced gym trainers. Are you a successful associate in your practice with little or no chance for career progression but you do not really want to start a practice of your own from scratch? Owner of the practice is looking to sell the practice in the next year or two so this position would be ideally suited to someone who is experienced, entrepreneurial, ambitious and hard-working who has financial resources to become involved. The practice is set in a grand house which can be purchased under separate contract. There is a decent sized car park which is rare in Clifton. Interested parties should email hugh@cliftonchiropractic.co.uk for further information.
