LANCASTER CHIROPRACTIC CLINIC: CHIROPRACTOR RETIRING.

Established 35 years, two part-time chiropractors worked 5 days a week between them until the first partner

retired at the end of last year. The second partner, who would also like to retire, is currently only working 2 days a week; consequently there is now a 4-5 week waiting list for new patients so presumably the practice has the potential to expand again and resume operating full time.

We have been practicing from our home, so there are no premises for sale. If anyone is interested in taking over we will be passing on the name, equipment and patient list/goodwill.

Lancaster is a small city on the River Lune in north Lancashire, three miles from Morecambe Bay. The population of the Lancaster/Morecambe conurbation is 126,000. Lancaster city is the cultural hub and economic and commercial centre of the Lancaster local government district which is largely rural and includes part of the Yorkshire Dales National Park and parts of the Arneside & Silverdale and Forest of Bowland Areas of Outstanding Natural Beauty. Kendal (Lake District) is 25 miles/30 minutes away and Kirkby Lonsdale (Yorkshire Dales) is 15 miles/30 minutes away. The city has good communications: two junctions with the M6 motorway and the rail station is on the West Coast Main Line.

Anyone interested in taking over the practice please email cduplockchiro@gmail.com

5 **LARGE CHIROPRACTIC CLINIC FOR SALE IN WEST YORKSHIRE**

Verilo are pleased to bring this well-established chiropractic practice to market. The clinic is renowned for its high standard of care and strong local reputation.

NORTH LONDON CLINIC SEEKS CHIROPRACTOR/OSTEOPATHIC ASSOCIATE

Associate for North London clinic

Are you a kind, caring and empathic Chiropractor or Osteopath, wanting to make a difference in a welcoming home clinic environment? I am seeking an enthusiastic Associate Osteopath or Chiropractor to join my North London Muswell Hill practice.

This self-employed position, over 3 days, offers an exceptional opportunity to build your patient base, with the potential to take over the clinic upon my retirement. Whether you are a recent graduate or a more experienced

osteopath, this role is ideal for advancing your career under the guidance of an approachable and supportive mentor, with nearly 30 years' experience.

My practice values a balanced team and I would especially welcome osteopaths with experience/interest in treating women's health issues and babies/children. You will have the advantage of personalised mentorship, guidance with challenging case histories and ongoing, readily available support to ensure your success and professional growth.

What I offer:

A nurturing environment to develop your skills and practice. Hands-on support and mentoring from an experienced osteopath.

An inclusive, friendly, and highly professional clinic setting.

The chance to build a thriving practice and a loyal client base, with a long-term vision for taking over the practice.

The opportunity to become an integral part of a practice dedicated to excellent patient care.

To apply, please send your CV and cover letter to robin.kiashek@btinternet.com or call 020 8815 0979.

PERMANENT ASSOCIATE CHIROPRACTOR WANTED IN SALISBURY!

We are a busy city centre clinic, looking for a part-time associate due to our expanding patient list. The candidate would have the opportunity to join a well-established, friendly clinic and take over a small existing patient base.

We are based in the beautiful and historic city of Salisbury, a 45-minute drive from Bournemouth, with onsite staff parking. We work as a team to build and maintain our patient base and have an excellent reputation within our community, getting involved with local sports events and talks.

We can offer guidance and training where needed and hold regular chiropractic meetings discussing patients, the running of the clinic and treatment techniques. We do also have a registered PRT trainer for any new graduates wishing to apply.

For application, questions or queries, please do not hesitate to get in touch with Verity and Lucy at chirobackontrack@gmail.com

COME AND EXPLORE GILLINGHAM! ASSOCIATE POSITION AVAILABLE (TO NEW GRADUATES)

New graduate or experienced chiropractor who wants to be able to control their own work/life balance

Are you a new graduate or experienced chiropractor looking for a position that allows for freedom to work independently, have a great work-life balance and a relaxed treatment style? If so, this position may be perfect for you.

About the Practice

This is a small, but well-established and very busy clinic in Wigmore, a pretty part of Gillingham. The practice has been there for over 15 years. For years, there have been two chiropractors working full-time, so with the retirement of one colleague a gap has opened up.

There is an established patient base for a new associate to draw upon once you get started. And, with the retirement of a colleague you can start almost immediately.

There's a friendly atmosphere and attitude and a laid-back approach to help patients feel at ease. The focus is on providing patients with a comprehensive and holistic treatment tailored to their needs, in an evidence-informed, patient-centred way.

The patient demographic ranges across all ages, with a diverse range of issues.

The clinic ownership has recently transferred and with it, an online booking system has been introduced. When you join the clinic as an associate there is the opportunity to influence further changes that may happen in the clinic.

The practice has a focus on Sacro-Occipital Technique combined with Diversified and Activator Technique. It also incorporates extremities, paediatrics and cranial treatments to work in an evidence-informed and patient-centred manner, aiming to optimise individual care.

About the Role

The position is for a self-employed chiropractor. It is 3 days a week: Monday, Wednesday and every other Friday, and every other Saturday (although if you don't want to work Saturdays, there is the possibility to just work every Friday).

This allows you to work 25-30 hours a week depending on how you choose to utilise the days available, and gives the time and opportunity for a great work-life balance.

For the new graduate, there is mentoring and support available through the PRT programme. The new graduate would be on a split fee of 50% and a higher percentage once they complete their PRT requirements.

The more experienced chiropractor can expect a higher percentage from the start.

Requirements of the Role

- Reliable
- Independent
- Good communication skills, with both patients, and colleagues
- Good patient management, diagnostic and treatment skills
- Willingness and interest in learning, growing and developing skills as a chiropractor
- Flexible in attempting to provide patients with a sense of familiarity in treatment style
- Professional attitude

Location

Wigmore is a suburb of Gillingham in Kent with easy access to the M2 either to London or the Coast. There are also quick train links into London, so you can get to central London in less than 1 hour.

Hempstead Valley Shopping Centre is close to the clinic and there is easy access to a High Street, and local business park.

Gillingham is part of Medway, where there is a diverse culture with museums, theatres and events like the Dickens' and Sweeps Festival. The Historic Dockyard of Chatham is one of the main tourist attractions, as is Rochester Castle and the Cathedral. Many locals enjoy walks in local natural areas such as Capstone Park, Darland Banks, Riverside Country Park, and Motney Hill Nature Reserve.

If you are a new graduate or a more experienced chiropractor, I'd love to hear from you. Please send your CV and cover letter to Tjitske Duiker at tjitsked@hotmail.com or enquire at 07943265880.

ASSOCIATE CHIROPRACTOR REQUIRED TO TAKE OVER LARGE PATIENT BASE

We are seeking a dedicated and skilled Associate Chiropractor to join our family owned and run clinic, located on the picturesque outskirts of Derby, near the stunning Peak District and conveniently close to major cities in the Midlands and airports.

Highfield Chiropractic Clinic boasts a 43-year legacy of excellence in chiropractic care and holds an outstanding reputation within both the local community and the broader medical field, enabling a high percentage of patient referrals through word of mouth and a loyal patient base. You'll become part of our tight knit team, alongside an experienced chiropractic principal, two receptionists and Rehab/Pilates trainer. Our clinic has become a trusted cornerstone in the local area with an esteemed reputation. We are a diversified, evidence-based chiropractic clinic and pride ourselves in maintaining a friendly, warm atmosphere centered around patient care and satisfaction.

Our associate chiropractor who has been with us for 22 years, has been seeing approximately 100 patients a week but has recently retired due to ill health. This presents a fantastic opportunity to step into a well established practice with a steady influx of new patients and to take over and look after an existing patient base. For the right person there is also the opportunity to take over the clinic in the near future. Our chiropractic principal plans to retire himself in the next couple of years, offering a unique opportunity to purchase both our business and large freehold property, with three bedroom living accommodation and private gardens.

While we have a preference for an experienced chiropractor, we welcome applications from newly qualified graduates eager to start their careers in a supportive and well-regarded environment. Full time position, but may consider part time for the right applicant.

If you are passionate about chiropractic care and are excited about the opportunity to join a clinic with a rich history and a bright future, we'd love to hear from you. Please send your CV and covering letter to us.

Take the next step in your career with us and help continue our tradition of excellence in chiropractic care.

ASSOCIATE CHIROPRACTOR REQUIRED, FIFE, SCOTLAND

Baxter Chiropractic Clinic is a well-established clinic with a first-class reputation in Dunfermline, around 30 minutes from the centre of Edinburgh, committed to providing Chiropractic solutions to address all of our patient's needs, helping people get control of their health and maintaining their health through Chiropractic. The clinic has been built and is run by Dr. Mark Baxter. Dr. Baxter graduated from Western States Chiropractic College in Portland, Oregon, USA in 1993. He and his family first moved to South Wales, where he

established Brackla Family Chiropractic Clinic, which is still in operation today. He then settled in Scotland in 2009, opening his current practice shortly thereafter.

About the Position:

This is a great opportunity for a confident Chiropractor to work as an associate alongside Dr. Baxter in his practice. We are looking for an Associate with good manual adjusting skills, who can be self-sufficient and open to learning from Mark. There is no requirement for external marketing. The clinic has a high return patient list, but also a waiting list of new patients, allowing an Associate to grow their patient base and be well compensated for their efforts. For the right candidate, there could be a long-term view to eventually becoming his successor when he looks at reducing his hours further or retiring.

What is on offer?

- Open to new graduates and experienced Chiropractors
- Freelance position with high-earning potential

If you have a confident and friendly nature and an adventurous spirit, looking for a new challenge in Fife, we would love to hear from you.

Please apply with your cover letter and CV.
