Nine reasons you want to work at Willow Chiropractic (Bristol)

Some opportunities are (much) better than others. I'm biased, of course, but here are nine reasons you want your next job to be with Willow Chiropractic.

1. 100+ patient visits – mostly maintenance – each week from day one. You are NOT starting from scratch. You're replacing a Doctor of Chiropractic in our busy practice who's moving on and leaving behind a very committed group of patients.
2. Earn more in an environment with better energy and atmosphere with Open Plan Adjusting – our patients love it and so will you. If you've never done OPA before, don't worry, we'll teach you how.
3. Enjoy a retainer of £27,000 per year, depending on your experience. Your retainer is paid in addition to whatever you earn from your patients.
4. Your success is crucial to ours. So our marketing experts work with you and help you get lots of new patients. And there's definitely no limit on your growth.
5. £9,875 of coaching and mentoring per year from world-class coaches in one of Europe's best training programmes paid for you. We do everything possible to ensure you prosper.
6. 28 hours per week in practice. Plus training and coaching. Along with your colleagues, you'll effectively, lovingly, easily and ethically see lots of patients each week.
7. NO admin or management. We do it all for you, so you only have to focus on what you get paid to do: treating patients.
8. Life is about far more than just work. So you have three days off each week.
9. Thrive in beautiful Bristol. If you need to move to the area, we have a number of relocation packages available.

If this is of interest and you're a Doctor of Chiropractic who ...

... loves their work ... loves their patients ... and wants to be an even happier, more successful chiropractor ...

... we should talk.

Just send me an email me – john@willowlife.co.uk with your availability.

There's no need to send your CV or a cover letter. All I need to know is you want to chat about the position.

CLINIC SPACE TO RENT

16

Therapy Room for Rent, Lingfield, Surrey

I own Revive Renew Therapies in Lingfield, Surrey and would love a chiropractor to join our brand new clinic team on a self-employed basis. We are opening January 2025.

We don't have a chiropractor in our local area so I feel there is a massive gap in the local market someone to set up here.

You would be working alongside the following therapies:

- Foot health
- Ear wax removal
- Body contouring
- Cryotherapy
- Sports massage
- Reflexology
- Beauty therapy

The new clinic has three rooms suitable for a chiropractor. There is a staff room and WC. It is in central Lingfield with the village car park behind offering free parking for three hours. It's such a brilliant location!

As we are about to start kitting the new premises out it would be an ideal time for someone to come on board and make suggestions to suit their therapy.

- Price for half day £35 ie 9-1 or 1.30-5.30
- Price for full day £55
- Price for 3 or 4 full days a week £45 per day
- Five days a week each calendar month £750 per month (approx £37.50 per day).
- Prices include all utilities.

Early bird discounts available for those that commit prior to our grand opening beginning January 2025.

I'm trying to ensure no overlap (or very little) of each therapy so the sooner you can commit the better!
